COLLECTION 2014

Ray Power

LINK. A cloud of light.

The LINK series, available as a suspension lamp in three versions and a floor lamp, was designed for LZF by the Irish designer Ray Power.

LINK makes beautiful use of wood veneer Möbius strips piled on top of one another, creating a stunning pattern which captivates the eye.

The lampshades are available in 11 different wood veneer finishes.

Home, contract, hospitality.

LINK. Nube de luz.

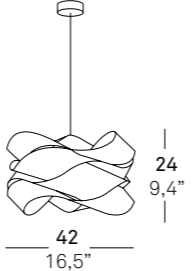

El irlandés Ray Power ha diseñado para LZF la familia de lámparas LINK en sus tres versiones de suspensión y pie.

Está construida a partir de un conjunto de cintas de Moebius de chapa de madera que configuran un volumen hipnótico y relajante.

Pantallas disponibles en 11 acabados de chapa de madera diferentes.
