# Highlights

## Ultra long bulb life

Philips bulb included with an ultra long bulb life, up to 20.000 hours.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Welcoming & reassuring light

The motion sensor switches on automatically when you come home and informs you when someone arrives.

## High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

## Welcoming warm white light

Philips Ecomoods outdoor is a range of outdoor lamps that creates a beautifully warm welcoming light. The light color temperature is of 2700 Kelvin. It also provides plenty of light for clear visibility so that you can use your outside space however you like after hours, and relax knowing that it'll be safe and secure throughout the night.

## Stylish contemporary designs

The contemporary designs by Philips Ecomoods are stylish but understated, beautiful by day or night without overwhelming your garden or terrace. There's a full range of lights to choose from, so there's bound to be one to match your outside space and taste.

## Eye for detail

Each piece is constructed from high quality components and hard-wearing materials like die-cast aluminium and stainless steel.

## Designed for outdoor use

IP44 protection means it's designed for outdoor use, so you can be sure Ecomoods outdoor lights will brighten up your garden come rain, shine or snow.

## Several applications

Ideal outdoor lighting for a garden, terrace, pathway or balcony, Philips Ecomoods outdoor's wall, post, pedestal and ceiling lights create a cosy, relaxing atmosphere when the sun goes down, as well as providing the reassurance of being able to see safely after dark.
